At Ellenbrook we seek to maintain a positive ethos for all pupils, with staff providing good role models of behaviour to develop an ethos that encourages constructive relationships between pupils and staff. A primary goal in the school is to allow the pupils to develop as much independence as possible, including the right and opportunity to make decisions about their own lives wherever it is safe and practical to do so.

All school staff continuously work to establish positive relationships with all pupils and seek to acknowledge and promote positive behaviour. We realise that for some pupils' problems and frustrations can lead to behaviour difficulties, and we seek to develop relationships in which pupils can interact purposefully, learning positive ways of communicating with others.

1. Aims

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- [Searching, screening and confiscation: advice for schools 2022](#)
- [The Equality Act 2010](#)
- [Keeping Children Safe in Education](#)

- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)

In addition, this policy is based on:

Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils

Sections 88 to 94 of the [Education and Inspections Act 2006](#), which requires schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and gives schools the authority to confiscate pupils' property and [DfE guidance](#) explaining that maintained schools must publish their behaviour policy online.

Behaviour Management Policy

Ellenbrook Community Primary School is committed to providing a supportive, caring and safe environment in which all children are free from the fear of being bullied. As a school we take bullying and its impact seriously. Bullying of any form is not tolerated in our school, whether carried out by a child or an adult.

Staff, children and parents or carers will be made aware of the school’s position on bullying. Bullying behaviour is unacceptable in any form. We have high expectations of behaviour and we consistently challenge any behaviour that falls below this. Anyone who knows that bullying is happening is expected to tell a member of staff.

Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the headteacher. A clear account of the incident will be recorded. All staff will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

What is bullying?

We recognise that many children and young people will experience conflict in their relationships with other children and young people and as a school we are committed to developing empathy and the skills to manage relationships in a peaceful way that does not harm others. In Ellenbrook Primary School, our definition of bullying is: “The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online”

Bullying can include:
