SUMMER TERM 2017
NEWSLETTER

Hello everyone,

The summer term is underway, and the children and staff are firing on all cylinders!

Lots of classes have already been out for their topic visits and Y4 have had just a fantastic residential trip to Dobroyd Castle. This is definitely something that we will repeat next year.

MUSIC and CONCERTS

The Family Festival celebrations were amazing. Pop Connections took over the school for the week and the children's

performances in church were outstanding. We would like to say a huge thank you to our church community, especially vicar Karen, for their wonderful support. Another thank you is owed to our parents, without your contribution and audience participation this event would not have been possible.

Recorders, Violins and Choir will be performing at the school concert on 21st June at 6:30pm.

Remember all of our 'musical' children are encouraged to perform, whether they have lessons at school or at home.

There's lots more happening in school and details of all

Every year we organise special events to celebrate our Year 6 children and give them a good send-off to high school.

As well as the performances, assemblies and school parties they will have three half day sessions at the Salford Watersports Centre learning how to sail, canoe & windsurf.

The Leavers' Evening Meal & Disco is on the 13th of July at 6:30.

Reminders:

Please remember to phone school if you need to send someone else to pick up your child. If you cannot phone before 2:00pm then your child will wait at the office for whoever you have nominated.

We will never release children into the care of someone that we are not expecting to see.

School has a plain water drinking policy. Please send unflavoured water into school every day and snacks should be 'healthy'. No sweets crisps chocolate or biscuits .

I am working hard with the local councillors to make sure that parents park their cars with consideration for our pupils.

Please do not park on any walkways; on or opposite the zigzags or dropped kerbs; or obstructing driveways.

The children and staff know that Ellenbrook is an outstanding school because of the hard work and support of our parents.
