

Dear Year 5 parents,

### **Chocolate Project**

As I am sure you are aware, your children have been working incredibly hard this half term creating and marketing their very own brand of chocolate. As well as this, your children have been developing their artistic skills throughout the year in order to achieve an Artsmark award called 'Explore'. In order to achieve this award, the children had to explore a range of art and artists this year so that they could eventually create a piece of artwork that was inspired by their learning. They have now done that and would like to present their work in an exhibition.

We would like to invite you to come and visit the classroom at **3:00pm on Tuesday 17<sup>th</sup> July** to see our hard work in action. Please also beware that we have been working very hard on our powers of persuasion this half term and, try as you might, you'll find it difficult to leave without buying some chocolates! The children will also be displaying their artwork and if you would like to take your child's work home then they are asking for a donation of your choosing.

The proceeds from both the chocolate project and the artwork will go towards a treat for the children. Donations will be taken via Parent pay therefore if you are unable to attend the event you will still be able to donate towards your child's artwork.

Please come to the KS2 door at the side of the school to be let into the building.

Many thanks

Mrs Roden and Miss Hay
