

Dear Parent/Guardian

Head Lice

We have recently received a few reports of head lice within school.

We would be grateful if parents could check your child's hair this evening and if necessary please use a head lice treatment.

We would also be grateful if you could keep a check on your child on a regular basis.

I am sure you will all agree it is not a pleasant experience for a child to have head lice and it can quite often be quite upsetting for them.

Thank you for your support in this matter.

Kind regards
