

Dear Parents/Guardians

Sun Cream

Now that the sunny weather has arrived we need to think about sun protection. In the light of the amount of time that was spent applying sun lotion in previous years (over an hour a day!), this year we are asking parents to apply 'All Day' protection before school. We will re-apply at lunch time.

Please send in a named bottle of sun-cream for your child and sign the permission slip below. Please return to school as soon as possible.

There will be a 'sun station' outside the classroom with sun protection available if you have forgotten to apply before school. We will ask for a small donation if you need to use this facility.

A little reminder: If the nice weather continues, please make sure your child has a sun hat in school with their name on it. The legionnaires design (with an extended back and side to shield children's neck and ears) is best. It is also really important that all children have their water bottle with them every day.

Thank-you for your co-operation.

EYFS staff.
