

Adverse Weather Conditions – Pupils

Bad weather is predicted over the coming days, and it is possible that we will see a repeat of the levels of snowfall which shut the school in the past.

In the event of heavy snowfall, please refer to the following web pages

<https://www.salford.gov.uk/schools-and-learning/school-closures/>

<http://www.ellenbrookschool.com/blog/announcements/>

Information will be added by the school as and when we have it, offering up-to-date advice on the school's status. If it is not safe to open, or if insufficient staff can make it to school, it is possible the school could be closed.

If it is not safe for your child to get to school, please do not risk serious accidents or injuries to come in.

If the school is open and your child can make it in safely, please ensure they are wearing footwear appropriate to the conditions (wellies/boots) and warm clothing (including hats and gloves).

Mrs Parkins

Headteacher
