

Dear Parent/Guardian

### **Hoax Emails**

We understand there have been a few hoax emails sent to various schools in the area. Please see below a message of re-assurance from Salford School Security.

*Good Afternoon,*

*Please see the below response from GMP in relation to the Hoax Emails received by a number of schools across GMP this morning. They are treating as a hoax and therefore, no threat to our communities.*

*Assistant Chief Constable Chris Sykes, said: We are aware of a number of malicious hoax threats made towards schools across Greater Manchester this morning.*

*This is part of a national problem and we are working with other Police Services throughout the country. We believe these calls to be hoax and similar to recent reports of the same nature.*

*We do not believe there to be any threat to our communities.*

*We'd like to thank schools for remaining vigilant and urge them to report anything suspicious.*

*We will continue to work closely with them and local authorities.*

Kind regards
