Dear Parents/Guardian

Nursery

The children and staff have had a wonderful first full week with all of the children and they are settling very well into school life. We are all very proud of them!

There has been a change to the organisation of dinners and we need to submit the order to the dinner staff the day before. To avoid confusion for the children, we will put a list on our window, above the trays, so that you can ask your child what they would like for dinner and add their name under their choice. The list will be available from the morning and you will be choosing for the **next day**.

Just a quick reminder – there are still a number of children who don't have a pair of wellies in school. We want to be fully prepared for those rainy days and don't want to be missing out on jumping in the muddy puddles!

Thank you for your continued support

Mrs Richardson
