Head Teacher: Mr. R Blackburn B.Ed PQSI

Dear Parents and Carers

Stage Two Revision Guide

We are offering parents of children in Year 6 the opportunity to purchase Key Stage Two revision guides for Reading and Maths. The guides are produced by 'Rising Stars' and well matched to the 'expected standard' for the end of Key Stage tests the children will be completing in May. These guides are an optional extra and will not be used to set homework; we would encourage your child to complete sections at home throughout the year to support their learning at school.

We have acquired a reduced rate of £2.50 per book which can be paid through Parent Pay. The school will not make profit from any purchase.

If you are interested in purchasing the guides please complete the reply slip below.

Thank you for your continued support.
