Parental Feedback Survey

Dear Parents\Carers

I am writing to you today to ask for your views on the school and the changes that have taken place this term. Your feedback is very important to us and we will use the results of the survey to help us shape the future development of the school.

We very much believe in an excellent partnership with parents and would be keen to see how you view the school.

The survey is quite long in terms of questions but many are simple yes or no answers. Please can we ask that you answer every question and where possible make comments too if you have something to say.

We will collate the responses and share them with you in the New Year. The closing date for the questionnaire is **Monday 14th January 2019** so there is plenty of time to complete it.

The class that has the most responses on that date will receive a treat!

We are asking you to complete the survey online at the following address.

Paper copies are available in the office, so please pick one up if you can't access the survey online.

Many thanks for your support
