PTA Events Survey

Following on from our very successful PTA AGM this week, I wanted to write to you and get your opinions on some upcoming events that were discussed at the meeting.

We are planning the following events before the end of term and wanted to get a feel for your views on them and how well they would be supported.

We have included a reply slip below for your completed surveys. We would, however, prefer you to complete the same survey online. It can be found at this address

Adult Quiz Night

We would like to hold an evening aimed at adults for the next PTA event and would like to hold a quiz night.

The plan would be for teams of up to 6 adults with the PTA providing a bar. You would be welcome to bring your own food/snacks and nibbles to enjoy through the evening.

The cost of the quiz would be £12 per table, and we are currently looking at holding it in the Spring term after Christmas.

Please can you indicate below whether you would attend this event and have a child free evening! And which date you would prefer.

Christmas Family Night

Our next family event will be held on Friday 14th December 2018 from 7-9pm and will follow a similar theme to the Halloween night.

We will have a bar, turkey barms, and of course Santa's Grotto! This year we would also like to have a quieter adult shopping area where we plan to have some stalls selling Christmas gifts, cards, etc.

If you are able to provide a stall for the event or know someone who can, please can you put the information below.

Christmas Calendar

With Christmas approaching, we wanted to know if there would be enough support to do the calendar again this year. The calendar is in a family style and contains a hand drawn picture of every child across the 12 months of the year.

The children are doing their portraits over the next week but before we commit to producing the calendars, we wanted to make sure enough people would buy them.

Please can you indicate below if you would like us to produce the calendar and how many you would buy.
