Head Teacher: Mr. R Blackburn B.Ed PQSI

Dear Parents/Carers

Please see attached information sheet for information regarding the above.

An accurate knowledge of times tables is a key mathematical skill enabling your child to gain confidence and understanding in all areas of maths.

We are committed to helping your child learn their times tables in a fun and engaging way.

We are currently promoting its use in school and would really appreciate your support in encouraging use of this site at home.

Kind regards

Mrs Harrison
Maths Co-ordinator
