Nursery – Forest School

Dear Parents/Carers,
Nursery Forest School Trip

As a celebration for being such a super Nursery we are going to be having 'Natures Den Forest School' come to our school for the day on **Tuesday 13th July**.

It will be a full day of activities. This will include activities such as: building our own fires; searching for fairy houses; chopping wood and making wands; hunting for the colours of Summer; playing on the rope swings and making leaf crowns. There will be just enough time for a song and toasting marshmallows around the fire too!

'Nature's Den' will be coming to our school premises and setting up in the school grounds so we will not need adult volunteers. There will be a cost of £11 which will be added to your ParentPay account.

Clothing

Please make sure that your child is dressed appropriately for the weather. If it a warm day please ensure they are dressed in shorts and t-shirt with a hoodie type top that can be removed if they are too warm. We ask that all children have their waterproofs and wellington boots in school should they need them throughout the day.

Lunch

If your child has school dinners then the kitchen will be providing a packed lunch on the day. Children who have packed lunch will bring their lunch as normal. Please could I ask that you bring it in a disposable **named** bag. Your child will also need their **named water bottles – no juice** please just water. They will not need any snacks.

We are very excited about the visit – we have been watching Reception having lots of fun over the fence when they had their forest school day!

Many thanks,

Mrs Richardson 😊
