Goodbye From Us....For Now!

Only one place to start this week and that is with a massive THANK YOU TO EVERY MEMBER OF STAFF at Ellenbrook who have demonstrated a commitment to the school the likes of which I could never have hoped for. I am so incredibly proud and humbled to be the Head teacher of such a school with staff like this and they have gone out of their way to ensure the children have been kept challenged, happy, entertained, etc. You name it and we have had it this week...tears, happiness, fun and most of all laughter! I honestly feel we have done our best to shield the children from the Coronavirus as much as possible and for a few a hours a day at least they have focused on their learning and each other.

The school will be open next week for the children of Key Workers only and more information will be coming out tonight in regards to the plans for next week. I just want to take this moment on behalf of all of the staff to thank you all so much for your support. It's been a very tricky time for everyone and we have had nothing but support from you as parents which means a lot to us.

We don't know how long this will last of course and we are very much in uncharted seas but it is important to me and all of the staff that you all know how much we care about you and the children and how much we are looking forward to see you all again soon. Please take care of yourselves and your loved ones and we will see you as soon as humanly possible...
